

All students are encouraged to do their best, present their work with pride, and respect the efforts of their peers.

“Nothing is hard. It’s time-consuming. Given enough time, you can do anything!”

Attitude Changes Everything! Let’s have a Growth Mindset.

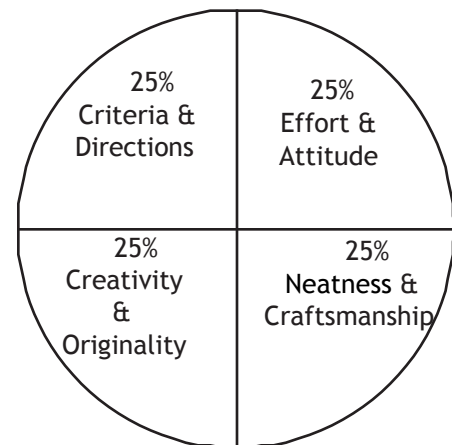

It’s going to be a great year in art! Come prepared to learn and create EVERY day. There are no “free days” and this is not an additional resource.

YOU are the primary reason that I am here. Never hesitate to ask for help. I want to help you and see you succeed!

Goals and rubrics are used to fairly and accurately assess all assignments. The specifics are listed for each project on our class website.

When you come to art with a positive attitude and a desire to try, you will surprise yourself with what you can

Rules to live by in Mrs. Riedel’s Art Class:

1. **Common courtesy is key...please & thank you go a long way.**
2. **Never touch someone else’s artwork.**
3. **Be responsible and respectful to all people and materials.**
4. **Technology is a privilege, not a right.**
